# Bridging the Gap Between Transient Business Travel & Complex Meetings

## Duty of Care

- Know where all of your attendees are
- Integrated to GDS & Concur
- Visibility into all meetings
- Visibility for non-profiled guests

## Risk Mitigation

- Portal with Simplicity Index Rules Enging
- Approvals and centralized contract signatures
- Minimize attrition clauses
- Hotel addendum sent with all sourcing requests
- Visibility into rogue bookings
- Communications log for all sourcing requests

## Savings

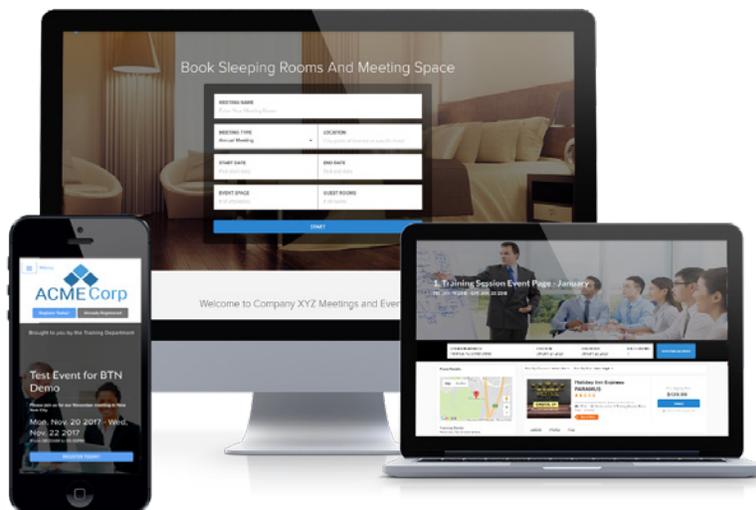

- Improve efficiency with three sourcing workflows
- Maximize negotiated rate programs for transient business travel and meetings
- Preference preferred hotels
- Save time and money

## Engagement

- Easy to use
- Better attendee experience
- End-to-end solutions
- Unlimited users and collaborators

## Data

- Now company wide visibility into 100% of meetings!
- Logistic reports
- Meetings Intelligence

**SIMPLE**

- ✓ Simple Technology
- ✓ Simple Pricing starting at \$3,600
- ✓ Simple Deployment
- ✓ We're Simple to work with

**SMART**

- ✓ Complements Concur and SMMP
- ✓ Award Winning
- ✓ Security
- ✓ Agile Development
- ✓ Attendee Experience

**SAVINGS**

- ✓ Money
- ✓ Time
- ✓ Resources
- ✓ Risk Reduction

“Groupize has broken from the pack not only with good technology but also via a tight integration with Concur Travel that pulls profile information into Groupize and sends information back to Concur for reporting. It also facilitates an easy pass from registration to travel booking and tracks the details.”
